Full Restoration Service - Classic wooden boats, Modern vessels, power boats or sail.

Design and Cutting Services - Boat patterns, DIY projects, CNC machining and CAD work.

OUR PROJECTS

Restoration Specialists

QUALITY
BOAT
BUILDING

TE TAINUI

CMC Design joined part of a larger team of specialists who commenced a lengthy restoration project to bring the Te Tainui, a 1970's 51 foot Lidguard cutter, into the modern world. CMC Design crafted the beautiful white oak joinery throughout the Te Tainui including the stately saloon table, modern galley and luxurious consoles.

LADY CROSSLEY

Classic boat restoration at its finest. Lady Crossley is a 1947 Colin Wild designed wooden launch that came to CMC Design needing a bit of TLC. Extensive restoration works for both the interior and exterior were completed to the highest exacting standards befitting of this beautiful boat. Lady Crossley went on to win the best presented launch at the Royal NZ Yacht Squadron 2017.

OTEHEI

Otehei and her sister ships - Manaaki, Lorna Doone and Zane Grey were built in 1927 by Collings and Bell of Auckland. CMC Design undertook a full restoration of this classy little fishing launch.
